FROM

T. G. RAMA IYER, ESQ., B.A.,
District Magistrate,
Kolar District.

To

S.Abdul Wajid.,Esq.,B.A.,
Secretary to Government of Mysore,
General Department,
Bangalore.

SIR,

1) I have the honour to state that as per condition 6 of the "G" permit all Motor buses plying for hire are got examined once a quarter as to the structural strength, condition, running order and fitness for use on the road. The number of taxi services has been increasing to a large extent in this District year after year. In the interest of the safety of travelling public it seems desirable that the rule of examination of buses, every quarter, for brake certificates should be extended to taxies also which are now examined only once a year.

2) I request you to kindly obtain the orders of Government in the matter at an early date.

I have the honour to be,
Sir,
Your most obedient servant,

Treasury Assistant Commissioner,
For District Magistrate,
Kolar District.
(absent from station).

A.R.101034.

4) The question is whether periodical inspection of taxis as also other motor vehicles plying for hire such as lorries is necessary just as in the case of buses now provided for in condition 6 of the G permit. If such inspection ~~is case~~ is necessary, cond^n 6 has to be

NOTE—Contn. Sheet.

amended so as to apply to all motor vehicles plying for hire whether they are buses, lorries or taxis.

5) Condition 7 is an enabling provision. It does not insist on any periodical inspection - Evidently the rules as they stand contemplate periodical inspection only in cases of motor buses and not other motor vehicles -

6) Under the Madras Rules, no such distinction now exists. Under condition 4 of the permit there, the owner of every motor vehicle plying for hire has to get his vehicle examined & certified once in every six months, Quarterly Examn being prescribed only in cases of plying on plant roads.

7) The condition 6, may be suitably amended on the lines of condition 4 of the Madras Rules, I think.

14) I do not think the intention of the orders passed in paras 7 & 8 supra is to substitute a half yearly inspection instead of the quarterly even in the case of buses. Our rules unlike the Madras Rules provide for a quarterly inspection in the case of buses & no necessity has arisen to change the existing rule in this respect. It is only in respect of inspection of motor vehicles other than buses, such as lorries & taxis that while Madras provides for a half yearly inspection, our Rules make no provision for inspection at all. It is sufficient therefore if our rules are so modified as to provide for a half yearly inspection of lorries & taxis plying for hire. This may be done by amending Const.n 6 of the G permit, as follows:—

Put a comma after the word 'quarter' in the 1st sentence and add the following words "and if it be any other vehicle atleast once in every half year,"

After the word "quarter" in the 3rd sentence, add "or half year as the case may be".

15) Please put up a typed draft accordingly
